### FARMERS' UNION TO SELL 1,000,000 BALES OF COTTON

ANNOUNCEMENT MADE THAT  
TWENTY-CENT PER POUND  
OFFER WILL BE ACCEPTED

Offer of a Waving Farmer Nation  
Will be Accepted Says H. N.  
Pope.

NEW YORK, Dec. 11.—The offer of a waving nation in Europe in this country costs a pound for one million bales of cotton, but it accepted and prices are being raised by the committee in charge for making up the quota deficit, according to H. N. Pope, president of the Texas Farmers' Union, who returned yesterday from New Orleans where he attended the meeting of Southern Farmers' Union Presidents.

"While the offer of the country holding this offer will not be given out at this time," President Pope stated today, "the propagation is so bad that we must do something to increase the amount to secure the payment as early as possible."

The committee, assembled at the New Orleans meeting last night after the meeting of the Joint Alien Underwriters of Mexico, El Salvador, Paraguay and Argentina, will get together at an early date and arrange for an early confirmation of the plan.

The resolution authorizing the Farmers' Union Presidents to organize the United Farmers of the South, in question and the other nations in question, was passed at the New Orleans meeting this week of Southern Farmers' Union Presidents and was as follows:

"Whereas our Federal government, through its state department, has announced that there is no combination,

and that this country is at peace with all nations of the world, that the shipment of cotton has been restricted to neutral countries in order to control and profitably to sell to our neighbors and

whereas the Farmers' Union of Texas, in consequence of the action of the

other Federations of Women and Chil-

dren of the Community that has organ-

ized and a quantity of the Red Cross Christmas Seal money sent yesterday to the

### PROHIBITION RALLY WILL BE ADDRESSED BY STERLING STRONG

MR. STRONG WILL LECTURE THIS  
MORNING AT 11:00 O'CLOCK  
AND TONIGHT AT 7:30  
O'CLOCK

National Prohibition Day to be Cele-  
brated at First Baptist Church  
This Afternoon

Leaders and objects interested in the  
cause of prohibition have made arrangements  
for a presentation of the views in this city today in a very  
successful manner. This morning at  
eleven o'clock here at the First Baptist Church, Sterling D. Strong, of the Anti-  
Saloon League, will address an audience on  
the subject of Prohibition.

Mr. Strong is a splendid speaker and an  
ardent worker in the cause, and comes to take the place of Dr. J. H. Givens,  
who was forced to cancel his engagement  
in this city because of the serious condition of Mr. Dewey. Tonight at 7:30 o'clock there  
will be a joint meeting of the Anti-Saloon League and the First Methodist, where  
Mr. Strong will again lecture.

At four o'clock this afternoon, at the  
First Baptist Church, there will be a  
National Prohibition Day celebra-

tion with an audience on the

subject of Prohibition.

Speaker D. Strong will also be present  
to speak a few words at this meeting.

This public meeting will be followed by  
an entertainment.

Our City is now truly one to favor  
and foster high moral standards.

The Anti-Saloon League, the

Methodists, and

the First Baptist Church.
